General terms and conditions of Goodmesh Concours 2021: Arts Unite – Art Unites

1. By accessing the website and/or submitting an application, the participant accepts the regulations, the general terms and conditions, and the privacy policy of the concours.
2. Applications of minor musicians will not be considered.

3. Application

- 3a. Once the application fee is submitted, it cannot be reimbursed and cannot be resubmitted to change its content. Each application must be paid with €90 via bank transfer. This fee is non-refundable, and no circumstances, including an applicant's disqualification from the Competition, will result in a refund of any kind.
- 3b. No applications will be accepted after August 1st, 2021.
- 3c. Every musician can apply as a main applicant only once, but can participate in multiple settings, as long as they are not the main participant and potential award recipient.
- 3d. All steps and decisions will be held online via submitted application form and appropriate additional material. The videos submitted must be created specifically for our competition.
- 3e. Goodmesh administration reserves the right to remove applications to be viewed by the jury if they don't comply with the rules and regulations or fit the profile of our search (e.g. Not enrolled or alumni from a musical institution, not collaborating with a non-musical art form, video not recorded according to the instructions, etc.)
- 3f. If admitted in the final round, the participants are asked to submit a video of the realization of the concept proposed in the first round.
The final material must be sent no later than 31st October 2021 at 11:59 p.m. using the means described in these Official Competition Rules. Submissions will be judged after the Submission Deadline.
- 3g. The international jury's decisions are final. The jury members will be able to provide feedback about the applicant's performance upon the artists' request.

- 4a. Goodmesh is not responsible or liable for any damages (including, without limitation, damages for loss of data or profit, or due to business interruption) arising out of the use or inability to use the materials on Goodmesh's Internet site.
- 4b. Goodmesh website could include technical, typographical, or photographic errors. Goodmesh does not warrant that any of the materials on its web site are accurate, complete, or current. Goodmesh may make changes to the materials contained on its website at any time without notice. Goodmesh does not, however, make any commitment to update the materials.
- 4c. Goodmesh may revise these terms of use for its website at any time without notice.

5. Prizes

- 5a. Apart from the clearly defined monetary prizes, other prizes may be subject to change and Goodmesh reserves the right to modify them, especially concerning live performance opportunities in times of COVID-19 uncertainties.
- 5b. No prize can be exchanged for money. The prizes are as stated and no extra cash or other alternatives will be offered. The prizes are not transferable. We reserve the right to substitute any prize with another of equivalent value without giving notice.
- 5c. The album recording prize has its own terms and conditions that are yet to be decided. Please check this page regularly for any possible additions and adaptations. Goodmesh is in no way responsible for these terms and conditions and cannot change them. Any disputes regarding this must be discussed directly with the label.
- 5d. We will endorse the non-musical category as much as possible. However, we do want to stress that this is a music competition, with a non-musical art form "enhancing" the music being played and produced. Besides publicity and exposure through our network, we cannot articulate and guarantee any additional prizes for the non-musical category.
- 5e. Winners will be announced no later than December 31, 2021 and the monetary prize will be sent to winners' bank accounts until March 31st 2022.
- 5f. Travel costs for potential live performances will be fully covered only in Europe and 30% covered outside Europe. Goodmesh does not take responsibility if this results in winners not being able to conduct a live performance.
- 5g. The prize receivers are receiving it as private individuals and not under management.
